# COMFORTFEEDS™ Swine GI-Booster Pack

## IMPROVE GUT HEALTH AND IMMUNITY *Naturally*

SAFE, ALL-NATURAL PRODUCTS

### ATTRIBUTES

- Essential oil flavoring agents are microinfused to deliver the highest quality essential oils on the market to improve gut health and strengthen immunity
- Natural combination of essential oils, Direct Fed Microbials (DFM), essential amino acids, essential activation and subtherapeutic nutrients
- Short-term formulation targeted for times of intestinal stress
- Subtherapeutic properties to aid in overcoming enteric diseases and recovering gut health
- Replenishes gut health to prevent the development of runts
- Consists of Healthy Farms™ proprietary bacilli isolates that target enteric diseases at the mucosal levels
- Works to prevent and reduce disease-causing microbes through competitive inhibition
- No Veterinary Feed Directive (VFD) required
- Non-antibiotic, all-natural, no withdrawal product

### WHEN TO USE

- In cases dealing with enteric diseases or low health herds
- Feed additive designed for swine with bacterial intestinal conditions showing diarrhea, lowered feed intake and/or intestinal stress
- Works with therapeutic antibiotic recommendations by immediately recolonizing the gut after the antibiotic has worn off, preventing disease-causing microbes in the pig's environment from attaching
- Additional essential amino acids and subtherapeutic nutrients target to replenish the animal during times of intestinal stress and to supply the extra amount of nutrients required in regaining gut health and feed intake
- Balances out the effect of reduced feed intake and aid in reducing disease-causing microbes in the intestine, while leaving copper tolerant DFMs to flourish and aid in recovering gut health

## DIRECTIONS

### SELECT DOSAGE

Add a minimum of 2 lbs. of ComfortFeeds™ Swine GI-Booster Pack per ton of complete feed when facing enteric challenges for the duration of the enteric issue

When the enteric issues have resolved, remain using for at least 1 week at a minimum of 1 lb. per ton to aid in enteric recovery

### FEEDING

#### Apply to complete feed during:

- Outbreaks of intestinal stress
- Bacterial enteric diarrhea
- Chronic intestinal conditions
- Times of reduced feed intake caused by poor gut health

**After Swine GI-Booster Pack is no longer needed, continue using ComfortFeeds Swine DFM to maintain gut health**
